

FBE SPELLING BEE

Saturday, April 6 • Chenery Upper Elementary School, Belmont

Hello,

The Foundation for Belmont Education's Annual Youth Spelling Bee will be held at Chenery Upper Elementary School on Saturday, April 6. Last year, more than 750 children participated in the various "swarms" of the Bee. Business sponsorships helped make last year's Youth Bee a great financial and community success, helping us to raise more than \$20,000 for the Belmont schools.

We hope that you will become a Spelling Bee Sponsor this year. The sponsorship levels are listed on the attached sheet.

As a business sponsor you will receive recognition in our printed program book, on the Foundation's website, www.fbebelmont.org, and on the local cable channel. Each person who attends the event will receive a printed program which will include information about the event, the names of all the participants and sponsor ads. Our experience has been that the spellers' friends and family spend a lot of time reviewing the program throughout the day.

As you know, the Foundation for Belmont Education is a volunteer organization that raises funds for programs and initiatives in the Belmont Public Schools. The Foundation awards grants for programs and large-scale projects that would not otherwise have been funded through the school budget. Since our founding in 1993, we have awarded more than \$4 million in grants to the Belmont Public Schools. We could not have reached this amazing milestone without the ongoing generous support of the business community.

Thank you in advance for your consideration and support.

Sincerely,

Sarah Caputo
